BID Contacts,

I wanted to clarify one point in previous my email. Please note as follows:

We now need the contact information for **all board members and paid staff for your individual BIDs, whether or not they will attend the Forum.**

Please let me know if you have any questions, comments or need more clarification.

Greetings to CD4 BID Contacts,

Thank you for responding to the poll you took regarding time for the BID Forum in January 1017. The majority of you voted for 10:00 am to 12:00 pm. We are still working on the actual date of the event, but will most likely be the last or first Thursday in January and February, respectively.

We now need the contact information for **all** board members and appropriate staff for your individual BIDs who will attend the event. This list should include board member's full-name, position on your board, email, mailing address and phone number.

**May I obtain this list from each of you by end of day, Monday, December 12?**

Please let me know how I can help you. I can reach out to any board member if that will help expedite creating your list.

Thank you for your assistance in developing this event. Councilmember Ryu is really looking forward to

connecting with all of you at the Forum.

Best to you and yours in this ***Season of Giving,***

Tom
